Producers 88 (4-89) — Paid Up
With 640 Acres Pooling Provision
STANDARD LEASE v.5

**PAID UP OIL AND GAS LEASE
(No Surface Use)**

THIS LEASE AGREEMENT is made this 24th day of March, 2010, by and between Texas Land & Investments Co. Inc., as Lessor (whether one or more), whose address is 1204 W. 7th St. Ft. Worth, TX 76102, and, DALE PROPERTY SERVICES, L.L.C., 2100 Ross Avenue, Suite 1870 Dallas Texas 75201, as Lessee. All printed portions of this lease were prepared by the party hereinabove named as Lessee, but all other provisions (including the completion of blank spaces) were prepared jointly by Lessor and Lessee.

1. In consideration of a cash bonus in hand paid and the covenants herein contained, Lessor hereby grants, leases and lets exclusively to Lessee the following described land, hereinafter called leased premises:

SEE LEGAL DESCRIPTIONS IN THE EXHIBIT "A" ATTACHED HERETO AND BY REFERENCE MADE A PART HEREOF.

in the County of Tarrant, State of TEXAS, containing 2,598 gross acres, more or less (including any interests therein which Lessor may hereafter acquire by reversion, prescription or otherwise), for the purpose of exploring for, developing, producing and marketing oil and gas, along with all hydrocarbon and non hydrocarbon substances produced in association therewith (including geophysical/seismic operations). The term "gas" as used herein includes helium, carbon dioxide and other commercial gases, as well as hydrocarbon gases. In addition to the above-described leased premises, this lease also covers accretions and any small strips or parcels of land now or hereafter owned by Lessor which are contiguous or adjacent to the above-described leased premises, and, in consideration of the aforementioned cash bonus, Lessor agrees to execute at Lessee's request any additional or supplemental instruments for a more complete or accurate description of the land so covered. For the purpose of determining the amount of any shut-in royalties hereunder, the number of gross acres above specified shall be deemed correct, whether actually more or less.

2. This lease, which is a "paid-up" lease requiring no rentals, shall be in force for a primary term of five (5) years from the date hereof, and for as long thereafter as oil or gas or other substances covered hereby are produced in paying quantities from the leased premises or from lands pooled therewith or this lease is otherwise maintained in effect pursuant to the provisions hereof.

3. Royalties on oil, gas and other substances produced and saved hereunder shall be paid by Lessee to Lessor as follows: (a) For oil and other liquid hydrocarbons separated at Lessee's separator facilities, the royalty shall be twenty five percent (25%) of such production, to be delivered at Lessee's option to Lessor at the wellhead or to Lessor's credit at the oil purchaser's transportation facilities, provided that Lessee shall have the continuing right to purchase such production at the wellhead market price then prevailing in the same field (or if there is no such price then prevailing in the same field, then in the nearest field in which there is such a prevailing price) for production of similar grade and gravity; (b) for gas (including casing head gas) and all other substances covered hereby, the royalty shall be twenty five percent (25%) of the proceeds realized by Lessee from the sale thereof, less a proportionate part of ad valorem taxes and production, severance, or other excise taxes and the costs incurred by Lessee in delivering, processing or otherwise marketing such gas or other substances, provided that Lessee shall have the continuing right to purchase such production at the prevailing wellhead market price paid for production of similar quality in the same field (or if there is no such price then prevailing in the same field, then in the nearest field in which there is such a prevailing price) pursuant to comparable purchase contracts entered into on the same or nearest preceding date as the date on which Lessee commences its purchases hereunder; and (c) if at the end of the primary term or any time thereafter one or more wells on the leased premises or lands pooled therewith are capable of either producing oil or gas or other substances covered hereby in paying quantities or such wells are waiting on hydraulic fracture stimulation; but such well or wells are either shut-in or production therefrom is not being sold by Lessee, such well or wells shall nevertheless be deemed to be producing in paying quantities for the purpose of maintaining this lease. If for a period of 90 consecutive days such well or wells are shut-in or production therefrom is not being sold by Lessee, then Lessee shall pay shut-in royalty of one dollar per acre then covered by this lease, such payment to be made to Lessor or to Lessor's credit in the depository designated below, on or before the end of said 90-day period and thereafter on or before each anniversary of the end of said 90-day period while the well or wells are shut-in or production therefrom is not being sold by Lessee; provided that if this lease is otherwise being maintained by operations, or if production is being sold by Lessee from another well or wells on the leased premises or lands pooled therewith, no shut-in royalty shall be due until the end of the 90-day period next following cessation of such operations or production. Lessee's failure to properly pay shut-in royalty shall render Lessee liable for the amount due, but shall not operate to terminate this lease.

4. All shut-in royalty payments under this lease shall be paid or tendered to Lessor or to Lessor's credit in at lessor's address above or its successors, which shall be Lessor's depository agent for receiving payments regardless of changes in the ownership of said land. All payments or tenders may be made in currency, or by check or by draft and such payments or tenders to Lessor or to the depository by deposit in the US Mails in a stamped envelope addressed to the depository or to the Lessor at the last address known to Lessee shall constitute proper payment. If the depository should liquidate or be succeeded by another institution, or for any reason fail or refuse to accept payment hereunder, Lessor shall, at Lessee's request, deliver to Lessee a proper recordable instrument naming another institution as depository agent to receive payments.

5. Except as provided for in Paragraph 3. above, if Lessee drills a well which is incapable of producing in paying quantities (hereinafter called "dry hole") on the leased premises or lands pooled therewith, or if all production (whether or not in paying quantities) permanently ceases from any cause, including a revision of unit boundaries pursuant to the provisions of Paragraph 6 or the action of any governmental authority, then in the event this lease is not otherwise being maintained in force it shall nevertheless remain in force if Lessee commences operations for reworking an existing well or for drilling an additional well or for otherwise obtaining or restoring production on the leased premises or lands pooled therewith within 90 days after completion of operations on such dry hole or within 90 days after such cessation of all production. If at the end of the primary term, or at any time thereafter, this lease is not otherwise being maintained in force but Lessee is then engaged in drilling, reworking or any other operations reasonably calculated to obtain or restore production therefrom, this lease shall remain in force so long as any one or more of such operations are prosecuted with no cessation of more than 90 consecutive days, and if any such operations result in the production of oil or gas or other substances covered hereby, as long thereafter as there is production in paying quantities from the leased premises or lands pooled therewith. After completion of a well capable of producing in paying quantities hereunder, Lessee shall drill such additional wells on the leased premises or lands pooled therewith as a reasonably prudent operator would drill under the same or similar circumstances to (a) develop the leased premises as to formations then capable of producing in paying quantities on the leased premises or lands pooled therewith, or (b) to protect the leased premises from uncompensated drainage by any well or wells located on other lands not pooled therewith. There shall be no covenant to drill exploratory wells or any additional wells except as expressly provided herein.

6. Lessee shall have the right but not the obligation to pool all or any part of the leased premises or interest therein with any other lands or interests, as to any or all depths or zones, and as to any or all substances covered by this lease, either before or after the commencement of production, whenever Lessee deems it necessary or proper to do so in order to prudently develop or operate the leased premises, whether or not similar pooling authority exists with respect to such other lands or interests. The unit formed by such pooling for an oil well which is not a horizontal completion shall not exceed 80 acres plus a maximum acreage tolerance of 10%, and for a gas well or a horizontal completion shall not exceed 640 acres plus a maximum acreage tolerance of 10%; provided that a larger unit may be formed for an oil well or gas well or horizontal completion to conform to any well spacing or density pattern that may be prescribed or permitted by any governmental authority having jurisdiction to do so. For the purpose of the foregoing, the terms "oil well" and "gas well" shall have the meanings prescribed by applicable law or the appropriate governmental authority, or, if no definition is so prescribed, "oil well" means a well with an initial gas-oil ratio of less than 100,000 cubic feet per barrel and "gas well" means a well with an initial gas-oil ratio of 100,000 cubic feet or more per barrel, based on 24-hour production test conducted under normal producing conditions using standard lease separator facilities or equivalent testing equipment; and the term "horizontal completion" means an oil well in which the horizontal component of the gross completion interval in the reservoir exceeds the vertical component thereof. In exercising its pooling rights hereunder, Lessee shall file of record a written declaration describing the unit and stating the effective date of pooling. Production, drilling or reworking operations anywhere on a unit which includes all or any part of the leased premises shall be treated as if it were production, drilling or reworking operations on the leased premises, except that the production on which Lessor's royalty is calculated shall be that proportion of the total unit production which the net

acreage covered by this lease and included in the unit bears to the total gross acreage in the unit, but only to the extent such proportion of unit production is sold by Lessee. Pooling in one or more instances shall not exhaust Lessee's pooling rights hereunder, and Lessee shall have the recurring right but not the obligation to revise any unit formed hereunder by expansion or contraction or both, either before or after commencement of production, in order to conform to the well spacing or density pattern prescribed or permitted by the governmental authority having jurisdiction, or to conform to any productive acreage determination made by such governmental authority. In making such a revision, Lessee shall file of record a written declaration describing the revised unit and stating the effective date of revision. To the extent any portion of the leased premises is included in or excluded from the unit by virtue of such revision, the proportion of unit production on which royalties are payable hereunder shall thereafter be adjusted accordingly. In the absence of production in paying quantities from a unit, or upon permanent cessation thereof, Lessee may terminate the unit by filing of record a written declaration describing the unit and stating the date of termination. Pooling hereunder shall not constitute a cross-conveyance of interests.

7. If Lessor owns less than the full mineral estate in all or any part of the leased premises, the royalties and shut-in royalties payable hereunder for any well on any part of the leased premises or lands pooled therewith shall be reduced to the proportion that Lessor's interest in such part of the leased premises bears to the full mineral estate in such part of the leased premises.

8. The interest of either Lessor or Lessee hereunder may be assigned, devised or otherwise transferred in whole or in part, by area and/or by depth or zone, and the rights and obligations of the parties hereunder shall extend to their respective heirs, devisees, executors, administrators, successors and assigns. No change in Lessor's ownership shall have the effect of reducing the rights or enlarging the obligations of Lessee hereunder, and no change in ownership shall be binding on Lessee until 60 days after Lessee has been furnished the original or certified or duly authenticated copies of the documents establishing such change of ownership to the satisfaction of Lessee or until Lessor has satisfied the notification requirements contained in Lessee's usual form of division order. In the event of the death of any person entitled to shut-in royalties hereunder, Lessee may pay or tender such shut-in royalties to the credit of decedent or decedent's estate in the depository designated above. If at any time two or more persons are entitled to shut-in royalties hereunder, Lessee may pay or tender such shut-in royalties to such persons or to their credit in the depository, either jointly or separately in proportion to the interest which each owns. If Lessee transfers its interest hereunder in whole or in part Lessee shall be relieved of all obligations thereafter arising with respect to the transferred interest, and failure of the transferee to satisfy such obligations with respect to the transferred interest shall not affect the rights of Lessee with respect to any interest not so transferred. If Lessee transfers a full or undivided interest in all or any portion of the area covered by this lease, the obligation to pay or tender shut-in royalties hereunder shall be divided between Lessee and the transferee in proportion to the net acreage interest in this lease then held by each.

9. Lessee may, at any time and from time to time, deliver to Lessor or file of record a written release of this lease as to a full or undivided interest in all or any portion of the area covered by this lease or any depths or zones there under, and shall thereupon be relieved of all obligations thereafter arising with respect to the interest so released. If Lessee releases all or an undivided interest in less than all of the area covered hereby, Lessee's obligation to pay or tender shut-in royalties shall be proportionately reduced in accordance with the net acreage interest retained hereunder.

10. In exploring for, developing, producing and marketing oil, gas and other substances covered hereby on the leased premises or lands pooled or unitized herewith, in primary and/or enhanced recovery, Lessee shall have the right of ingress and egress along with the right to conduct such operations on the leased premises as may be reasonably necessary for such purposes, including but not limited to geophysical operations, the drilling of wells, and the construction and use of roads, canals, pipelines, tanks, water wells, disposal wells, injection wells, pits, electric and telephone lines, power stations, and other facilities deemed necessary by Lessee to discover, produce, store, treat and/or transport production. Lessee may use in such operations, free of cost, any oil, gas, water and/or other substances produced on the leased premises, except water from Lessor's wells or ponds. In exploring, developing, producing or marketing from the leased premises or lands pooled therewith, the ancillary rights granted herein shall apply (a) to the entire leased premises described in Paragraph 1 above, notwithstanding any partial release or other partial termination of this lease; and (b) to any other lands in which Lessor now or hereafter has authority to grant such rights in the vicinity of the leased premises or lands pooled therewith. When requested by Lessor in writing, Lessee shall bury its pipelines below ordinary plow depth on cultivated lands. No well shall be located less than 200 feet from any house or barn now on the leased premises or other lands used by Lessee hereunder, without Lessor's consent, and Lessee shall pay for damage caused by its operations to buildings and other improvements now on the leased premises or such other lands, and to commercial timber and growing crops thereon. Lessee shall have the right at any time to remove its fixtures, equipment and materials, including well casing, from the leased premises or such other lands during the term of this lease or within a reasonable time thereafter.

11. Lessee's obligations under this lease, whether express or implied, shall be subject to all applicable laws, rules, regulations and orders of any governmental authority having jurisdiction including restrictions on the drilling and production of wells, and the price of oil, gas, and other substances covered hereby. When drilling, reworking, production or other operations are prevented or delayed by such laws, rules, regulations or orders, or by inability to obtain necessary permits, equipment, services, material, water, electricity, fuel, access or easements, or by fire, flood, adverse weather conditions, war, sabotage, rebellion, insurrection, riot, strike or labor disputes, or by inability to obtain a satisfactory market for production or failure of purchasers or carriers to take or transport such production, or by any other cause not reasonably within Lessee's control, this lease shall not terminate because of such prevention or delay, and at Lessee's option, the period of such prevention or delay shall be added to the term hereof. Lessee shall not be liable for breach of any express or implied covenants of this lease when drilling, production or other operations are so prevented, delayed or interrupted.

12. In the event that Lessor, during the primary term of this lease, receives a bona fide offer which Lessor is willing to accept from any party offering to purchase from Lessor a lease covering any or all of the substances covered by this lease and covering all or a portion of the land described herein, with the lease becoming effective upon expiration of this lease, Lessor hereby agrees to notify Lessee in writing of said offer immediately, including in the notice the name and address of the offeror, the price offered and all other pertinent terms and conditions of the offer. Lessee, for a period of fifteen days after receipt of the notice, shall have the prior and preferred right and option to purchase the lease or part thereof or interest therein, covered by the offer at the price and according to the terms and conditions specified in the offer.

13. No litigation shall be initiated by Lessor with respect to any breach or default by Lessee hereunder, for a period of at least 90 days after Lessor has given Lessee written notice fully describing the breach or default, and then only if Lessee fails to remedy the breach or default, within such period. In the event the matter is litigated and there is a final judicial determination that a breach or default has occurred, this lease shall not be forfeited or canceled in whole or in part unless Lessee is given a reasonable time after said judicial determination to remedy the breach or default and Lessee fails to do so.

14. For the same consideration recited above, Lessor hereby grants, assigns and conveys unto Lessee, its successors and assigns, a perpetual subsurface well bore easement under and through the leased premises for the placement of well bores (along routes selected by Lessee) from oil or gas wells the surface locations of which are situated on other tracts of land and which are not intended to develop the leased premises or lands pooled therewith and from which Lessor shall have no right to royalty or other benefit. Such subsurface well bore easements shall run with the land and survive any termination of this lease.

15. Lessor hereby warrants and agrees to defend title conveyed to Lessee hereunder, and agrees that Lessee at Lessee's option may pay and discharge any taxes, mortgages or liens existing, levied or assessed on or against the leased premises. If Lessee exercises such option, Lessee shall be subrogated to the rights of the party to whom payment is made, and, in addition to its other rights, may reimburse itself out of any royalties or shut-in royalties otherwise payable to Lessor hereunder. In the event Lessee is made aware of any claim inconsistent with Lessor's title, Lessee may suspend the payment of royalties and shut-in royalties hereunder, without interest, until Lessee has been furnished satisfactory evidence that such claim has been resolved.

16. Notwithstanding anything contained to the contrary in this lease, Lessee shall not have any rights to use the surface of the leased premises for drilling or other operations.

17. This lease may be executed in counterparts, each of which is deemed an original and all of which only constitute one original.

DISCLAIMER OF REPRESENTATIONS: Lessor acknowledges that oil and gas lease payments, in the form of rental, bonus and royalty, are market sensitive and may vary depending on multiple factors and that this Lease is the product of good faith negotiations. Lessor understands that these lease payments and terms are final and that Lessor entered into this lease without duress or undue influence. Lessor recognizes that lease values could go up or down depending on market conditions. Lessor acknowledges that no representations or assurances were made in the negotiation of this lease that Lessor would get the highest price or different terms depending on future market conditions. Neither party to this lease will seek to alter the terms of this transaction based upon any differing terms which Lessee has or may negotiate with any other lessors/oil and gas owners.

IN WITNESS WHEREOF, this lease is executed to be effective as of the date first written above, but upon execution shall be binding on the signatory and the signatory's heirs, devisees, executors, administrators, successors and assigns, whether or not this lease has been executed by all parties hereinabove named as Lessor.

Commission Expires:

Exhibit "A"

TRACT 1:

.172 ACRES OF LAND, MORE OR LESS, BEING A TRACT OF LAND OUT OF THE L.G. TINSLEY SURVEY, ABSTRACT 1523, TARRANT COUNTY, TEXAS, BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS IN PARCEL 335 OF THAT CERTAIN DEED DATED FEBRUARY 1, 1956 FROM TEXAS LAND & INVESTMENT, AS GRANTOR, TO TEXAS STATE HIGHWAY COMMISSION, AS GRANTEE, RECORDED IN VOLUME 2955, PAGE 203 OF THE DEED RECORDS, TARRANT COUNTY, TEXAS.

TRACT 2:

.120 ACRES OF LAND, MORE OR LESS, BEING A TRACT OF LAND OUT OF THE L.G. TINSLEY SURVEY, ABSTRACT 1523, TARRANT COUNTY, TEXAS, BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS IN PARCEL 336 OF THAT CERTAIN DEED DATED FEBRUARY 1, 1956 FROM TEXAS LAND & INVESTMENTS, AS GRANTOR, TO TEXAS STATE HIGHWAY COMMISSION, AS GRANTEE, RECORDED IN VOLUME 2955, PAGE 203 OF THE DEED RECORDS, TARRANT COUNTY, TEXAS.

TRACT 3:

.210 ACRES OF LAND, MORE OR LESS, BEING A TRACT OF LAND OUT OF THE L.G. TINSLEY SURVEY, ABSTRACT 1523, TARRANT COUNTY, TEXAS, BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS IN PARCEL 337 OF THAT CERTAIN DEED DATED FEBRUARY 1, 1956 FROM TEXAS LAND & INVESTMENTS, AS GRANTOR, TO TEXAS STATE HIGHWAY COMMISSION, AS GRANTEE, RECORDED IN VOLUME 2955, PAGE 203 OF THE DEED RECORDS, TARRANT COUNTY, TEXAS.

TRACT 4:

2.096 ACRES OF LAND, MORE OR LESS, BEING A TRACT OF LAND OUT OF THE L.G. TINSLEY SURVEY, ABSTRACT 1523, TARRANT COUNTY, TEXAS BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS IN PARCEL 338 OF THAT CERTAIN DEED DATED SEPTEMBER 23, 1955 FROM JULIA NELL SMALL ET. VIR, AS GRANTOR, TO TEXAS LAND & INVESTMENTS, AS GRANTEE, RECORDED IN VOLUME 2914, PAGE 233 OF THE DEED RECORDS, TARRANT COUNTY, TEXAS.

Said lands are hereby deemed to contain 2.598 acres of land, more or less.

EXHIBIT "B"

Exhibit "B" to Paid Up Oil and Gas Lease (the "Lease") dated this 20th day of March, 2010 between Texas Land & Investment, Ltd., a Texas limited partnership as lessor (the "Lessor") and Dale Property Services, LLC, as lessee (the "Lessee").

This EXHIBIT "B" is a part of that certain Paid-Up Oil and Gas Lease identified above by date and parties covering 2.598 gross acres, more or less, in Tarrant County, Texas, to the same extent as if the provisions hereof had originally been written in said lease. In the event of a conflict between any of the lease provisions and the provisions in this EXHIBIT "B," the provisions of this EXHIBIT "B" shall be binding and control.

18. **AGREEMENTS AND PROVISIONS.** The following agreements and provisions shall supersede the provisions in the preceding text of this Lease to the contrary and shall inure to the benefit of and be binding upon the parties hereto and their respective heirs, personal representatives, successors and assigns.
19. **ROYALTY CLAUSE.** The royalties to be paid by Lessee are: (a) on oil, twenty-five percent (25%) of the market value at the point of sale of all oil produced and sold from the leased premises or, at Lessor's option, twenty-five percent (25%) of the oil produced and saved in kind to be delivered to Lessor at the wells or to the credit of Lessor into the pipe line to which the wells may be connected; and (b) on gas, including casinghead as or other gaseous substances produced from the leased premises or sold or used off the premises or for the extraction of gasoline or other products therefrom, the market value at the point of sale or use of twenty-five percent (25%) of the gas so sold or used. In addition to the payment of Lessor's royalty, Lessee shall pay all post-production costs. Lessor's royalty shall not be charged for any post-production costs. For the purpose of this paragraph, "post-production costs" means all costs incurred by Lessee prior to its final sale of oil, gas, and other substances covered by this Lease to a non-affiliated third party purchaser, including, but not limited to, costs for drilling, completing, operating, storing, gathering, compression, treatment, processing, transportation, dehydration and marketing. Lessor and Lessee agree that the holding in *Heritage Resources, Inc. v. NationsBank*, 939 S.W.2d 118 (Tex. 1996) shall have no application to the terms or provisions of this Lease. Lessor's royalty shall bear its proportionate share of (i) ad valorem taxes and (ii) production, severance, or other excise taxes. Any such costs which result in enhancing the value of the marketable oil, gas and other products to receive a better price (other than compression, transportation and marketing costs which may not be deducted from Lessor's share of production) may be deducted from Lessor's share of production so long as they are based upon Lessee's actual costs of such enhancements. However, in no event shall the royalty paid to Lessor be less than the Lessor's royalty share of the actual amount realized by the Lessee or any of its affiliates from the sale of oil and/or gas to a non-affiliated third party purchaser. As used in this Lease, the term "affiliate" of any Person shall mean any Person which, directly or indirectly, controls, is controlled by, or is under common control with, such Person. For the purposes of the definition of affiliate, "control" (including, with correlative meanings, the terms "controlled by" and "under common control with") as used with respect to any Person, shall mean the possession, directly or indirectly, of the power to direct or cause the

direction of the management and policies of such Person, whether through the ownership of voting shares, ownership interests or by contract or otherwise. As used herein, the term "Person" shall include an individual, a corporation, a joint venture, a partnership, a limited liability company, a trust or an unincorporated organization.

20. **RELEASE.** It is understood and agreed that upon termination of this Lease, Lessee or its successors or assigns shall deliver to Lessor a recordable release as to such portion or portions of this Lease which have terminated under the terms of the Lease.
21. **INDEMNITY.** Lessee hereby unconditionally agrees to be liable for, exonerate, indemnify, defend and hold harmless Lessor, his officers, employees and agents and their successors or assigns against any and all claims, liabilities, losses, damages, actions, personal injury (including death), costs and expenses, or other harm for which recovery of damages is sought, under any theory including tort, contract, or strict liability, including attorneys' fees and other legal expenses, including those related to environmental hazards, on or with respect to the leased premises or lands pooled therewith or in any way related to Lessee's failure to comply with any and all environmental laws, those arising from or in any way related to Lessee's operations or any other of Lessee's activities on the leased premises or lands pooled therewith; those arising from Lessee's use of the surface of the leased premises or lands pooled therewith, and those that may arise out of or be occasioned by Lessee's breach of any of the terms or provisions of this Lease or any other act or omission of Lessee, its directors, officers, employees, partners, agents, contractors, subcontractors, guests, invitees, and their respective successors and assigns. Each assignee of this Lease or an interest therein, agrees to be liable for, exonerate, indemnify, defend and hold harmless Lessor and its officers, employees, agents, successors and assigns in the same manner provided above connection with the activities of Lessee and its officers, employees, agents, successors and assigns as described above.
22. **VENUE/LEGAL FEES.** Venue for the enforcement of the terms and provisions of this Lease will lie in Tarrant County, Texas. Should Lessee or its successors or assigns for any reason fail or refuse to promptly perform and/or carry out any of the terms, conditions and agreements as herein set out, and Lessor deems it necessary to institute legal proceedings of any kind whatsoever thereon, Lessee shall be responsible for, and hereby agrees to promptly pay to Lessor all costs, if Lessee is found to be in default hereunder. Lessor shall not be liable to Lessee for any costs associated with such legal proceedings, including reasonable attorney's fees and all court costs.
23. **ACCEPTANCE OF TERMS BY LESSEE'S ASSIGNS.** Any party acquiring an interest in this Lease, by any form of assignment, contract, agreement, or sublease, shall be bound by all of the terms and provisions of this Lease to the same extent as the Lessee is bound. Any assignment, contract, agreement, or sublease of all or any part or interest in this Lease shall provide that it is made subject to the terms and provisions of this Lease and the party to each assignment, contract, agreement, or sublease, accepts the same, subject to all the terms and provisions of this Lease.

24. MINERALS COVERED. It is understood agreed that this Lease covers oil and gas only and that all minerals other than oil and gas are excepted herefrom and reserved to Lessor. As used herein, the term "oil and gas" means oil, gas and other gaseous hydrocarbons produced through a wellbore. The minerals reserved to Lessor and excluded from this Lease, include, but are not limited to, coal, uranium, lignite, fresh water, limestone, building stone, caliche, surface shale, gravel, sand, surface water, underground water, and iron ore. There shall be no exploration or mining operations on the surface of the leased premises.
25. NO WARRANTY. This Lease is made without warranty of title, either express or implied.

SIGNED FOR IDENTIFICATION PURPOSES.
